Advisor Disclosure & Privacy Statement

Licenses, Compensation & Conflicts

I am licensed as a Financial Security Advisor in Quebec and a Life and Health Insurance Agent in Ontario, acting on behalf of Armstrong Financial Services. I represent several insurers, but I place most of my business with BMO Insurance, Canada Life, Sun Life & Manulife. No insurer holds an ownership interest in my business. I don't hold a significant interest in any insurance company. I am compensated by a sales commission on policies I sell, and I may also receive a renewal (or service) commission on policies that remain active. Commissions are paid by the company that provides the product you purchased. If my sales reach a certain level, I may be eligible for additional compensation, such as a bonus, and other benefits, such as conferences. I take potential conflicts of interest seriously. I confirm that I have no conflict of interest. If I become aware of a potential conflict, I will let you know. If you need information about my qualifications or business relationships, please contact me.

Digital Tools & Record Keeping

To provide efficient service, I use secure, compliant digital platforms and AI tools (such as Google Workspace, Salesforce, and AI assistants) to organize and analyze data. These systems adhere to strict confidentiality and security standards, including mandatory two-factor authentication (2FA). Your personal data is strictly protected within secure, closed-loop environments. While AI assists in my analysis, all final recommendations and professional advice are provided by me personally.

Client Authorization

I acknowledge that my independent financial security advisor will create and maintain a client file for me. This file will contain personal information related to me, which will be gathered to assess my financial situation, offer me products and services that may be of interest and benefit to me, and assist me with ongoing services, changes, and claims. This personal information may include records of meetings and phone calls, as well as instructions I give regarding the products and services I have purchased, wish to purchase, or consider purchasing. I authorize and direct my advisor to hold personal information or documents (originals or copies) containing my personal information provided by me or with my authorization. Examples of personal information and documents are insurance policies, insurance applications in whole or in part, including medical and lifestyle information, wills, testaments, powers of attorney, marriage or birth certificates, income tax returns or notices of assessment, corporate financial statements, and mortgage and real estate ownership papers.

Privacy

This consent also allows us to share information with any persons, financial institutions, businesses, or other parties with whom we deal. This may include service providers in jurisdictions **outside of Quebec or Canada** and would therefore be subject to the laws of those jurisdictions. You may withdraw your consent at any time (subject to legal or contractual obligations and on providing us with reasonable notice) by contacting our Privacy Officer. Please advise us if you do not agree to share your personal information, including financial and medical information, so we may provide you with financial services that best meet your needs. By signing below, you consent to the collection and processing of your personal information for your file.

You acknowledge that you have read and understood the information enclosed and agree to proceed.

Authorization for Release of Health-Related Information

This Authorization complies with the HIPAA Privacy Rules

For the purpose of obtaining the insurance coverage that I have requested, I hereby authorize (Armstrong Financial Services, Armstrong Financial USA, IDC-WIN, ASG Life) (the "Representative"), and its affiliated agencies to disclose my personal financial and health information to the insurance companies listed at the bottom of this page and to insurance agents and brokers acting on my behalf with respect to obtaining such insurance coverage.

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy, medical facility, Pharmacy Benefit Manager or other health care provider that has provided treatment or services to me or on my behalf within the past 10 years ("my Providers") to disclose my entire medical record and any other information that may be considered protected health information under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") concerning me to the Representative and its staff, affiliated companies and/or entities, insurance companies and their reinsurers. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.

By my signature below, I acknowledge that any agreements I have made with my Providers that restrict disclosure of my medical records and any associated HIPAA-protected health information do not apply for purposes of this authorization, and I instruct my Providers to release and disclose my entire medical record without restriction to the Representative. I understand that any information disclosed pursuant to this authorization may be re-disclosed and no longer be covered by certain federal rules governing the privacy and confidentiality of health information.

The information contained in these medical and financial records will be held in confidence and may be used only for the purpose of the procurement evaluation or underwriting for the possible procurement of life, health, long-term care, or other insurance products. The contents therein may be reviewed and assessed by a qualified staff consisting of medical directors, underwriters, underwriting assistants, or other related employees involved in the submission, receipt, or evaluation of insurance applications or prospective applications of the insurance companies at the bottom of this page and their reinsurers, the Representative, its staff, employees and affiliated companies.

This authorization shall be valid for twelve (12) months from the date below. A copy of this authorization shall be as valid as the original. I understand that I am entitled to receive a copy of this authorization.

I understand that I may write to the Representative to revoke this authorization, and that the revocation will take effect upon the Representative's receipt of my written request. I understand that any action taken under this authorization cannot be reversed, and that my revocation will not affect those actions. I also understand that, to the extent that another law allows an insurance company listed below to contest a claim under an insurance policy or the insurance policy itself, my revocation of this authorization may not be effective.

I understand that if I refuse to sign this authorization, the Representative may not be able to provide full and complete information about the insurance coverage and its cost that may be available to me. I also understand and acknowledge that each of the insurers listed on this form, or to which I may formally apply, may require me to sign a similar authorization used exclusively by such insurer before they will process my application or offer insurance coverage. I understand that my refusal to sign this authorization will not affect my ability to obtain treatment or payment for services or my eligibility for health care benefits; provided, however, that if a health care service (e.g., a physical exam) is requested solely for the purpose of creating protected health information to be disclosed to a third party, the health care provider may refuse to provide the service if I do not sign this authorization.
