After completing the above ratings guide, make sure to explain to the client the following:

Any rate and/or rate class presented will be subject to the underwriting criteria of The Prudential Insurance Company of America, Pruco Life Insurance Company, or Pruco Life Insurance Company of New Jersey. A client’s actual rates potentially could be higher or lower depending on the rate class determined after the underwriting process has been completed. The underwriting requirements may include, but are not limited to, paramed exams, ECGs, blood tests, and complete medical history. See the Age and Amount Exam Requirements chart for additional information. The eligibility for any particular rate class or eligibility, in general, is in no way guaranteed to be the final decision of The Prudential Insurance Company of America.

¹ Cancer limited to those with a high familial risk (e.g., breast, colon, melanoma, ovarian, pancreas, prostate, and stomach).
² Note: A personal history of hepatitis C will preclude acceptance to the Preferred Best rating.
³ May allow PNT/PS with personal history of thyroid cancer, cervical cancer, prostate cancer, and stage 1 seminoma testicular cancer that meet specific parameters.
⁴ Restrictions may apply to certain non-U.S. residents. Contact Underwriting prior to submitting an application.

BUILD TABLES—Male and Female—Ages 18 and up

Prudential's build underwriting varies based on the age and Body Mass Index (BMI) of the proposed insured. Enter your clients height and weight to calculate their exact BMI to determine whether they will be able to qualify for preferred, standard, or rated underwriting or be declined based on BMI.
